

Introduction for Will Lansing

Ladies and gentlemen, it's my pleasure to introduce you to our guest speaker. How many of us would be thrilled to create a real estate empire that produces \$30 million in revenues a year? Yes, we'd be more than thrilled, I'm sure!

Well our guest speaker, Will Lansing, has done just that. Will Lansing is a full time real estate investor and hard money lender who has been involved in more than 300 real estate transactions. Will built a real estate investing company generating over thirty million dollars a year in revenue.

Will is also a full time coach and mentor to new and seasoned real estate investors. After seeing the many mistakes investors make, Will developed industry leading scripts, templates, and systems for every piece of the creative real estate investing business.

He teaches his investing strategies in his newly released home study program, "***The Real Deal: 7 Systems to Avoid Failure and Break Through to Real Estate Success.***"

Will has had tremendous experience putting together hundreds of creative real estate deals, growing an incredible business, and helping many of his students reach financial independence. We are excited to have him with us today.

Please join me in welcoming Will Lansing.
